Essay Questions

Provide a (300-500 word) response for **each question**. Please type your responses and attach extra pages as necessary.

1. What does the concept of marine conservation mean to you and how do you think it impacts people's lives? What do you think are the most pressing marine conservation issues in your area?
2. What kind of work would you like to pursue once you've finished your degree? How do you think that work will impact your community?
3. In what ways have you noticed cultural values and knowledge impacting your life as a young leader? Who or what has inspired you to pursue your education?

Additional Information Required

Please submit official documentation of your tribal enrollment, academic transcripts (electronic or paper), proof of registration (indicating full time enrollment), and two letters of recommendation with this application. Applications received **without** this information will be considered incomplete and **will not** be considered for award funds.

Statement of Understanding

I hereby attest that the information contained in this application is true, correct, and complete. I understand that if I have intentionally misrepresented information on this application or supplemental documentation, I will be required to return all scholarship funds and issue a formal apology to the Selection Committee.

I further understand that to maintain my eligibility for a continuing scholarship, I must submit transcripts and proof of enrollment each term to the Program Specialist. I give permission for Kawerak, Inc. and the Oak Foundation to publish my name, photograph, school information, and any other information I provide in any reports, press releases, or publications.
